

# VACATION PLANNING SAMPLE

Vacation planning requires thought to be able to have a getaway without the worry of not having enough money or falling behind in your scheduled payments to creditors. This sheet will help you plan up to a 7-day vacation and be able to record before and during vacation expenses. (This is for TWO people vacationing.)

## BEFORE VACATION PURCHASES/EXPENSES

| DESCRIPTION   | AMOUNT          |
|---|-----------------|
| Travel cost to destination (airfare, car/fuel, train, bus, etc.): | 1100            |
| Airline luggage fees:   | 100             |
| Other travel costs, for example cruise costs:                     |                 |
| Hotel accommodations:   | 1050            |
| Rental car:   | 700             |
| Recreation tickets (Disneyland, Zoo, Concert, Museum, etc.):      | 1000            |
| <b>Total Pre-Vacation Expenses:</b>                               | <b>\$ 3,950</b> |

## DURING VACATION PURCHASES/EXPENSES
